

## FUSION 2022: COVID Escalation Policy

Fusion is your chance to join peers from around the world to share ideas that will shape the future of learning. We hope that the time you spend at Fusion is valuable and enjoyable. To ensure that everyone has the best experience possible we have established this COVID Escalation Policy. This policy outlines our expectations for participant behavior.

We value the participation and engagement of each person in attendance at Fusion. Accordingly, all attendees are expected to show courtesy and respect to other attendees throughout the conference and at all Fusion events. The Fusion Code of Conduct can be found here.
