Session Description

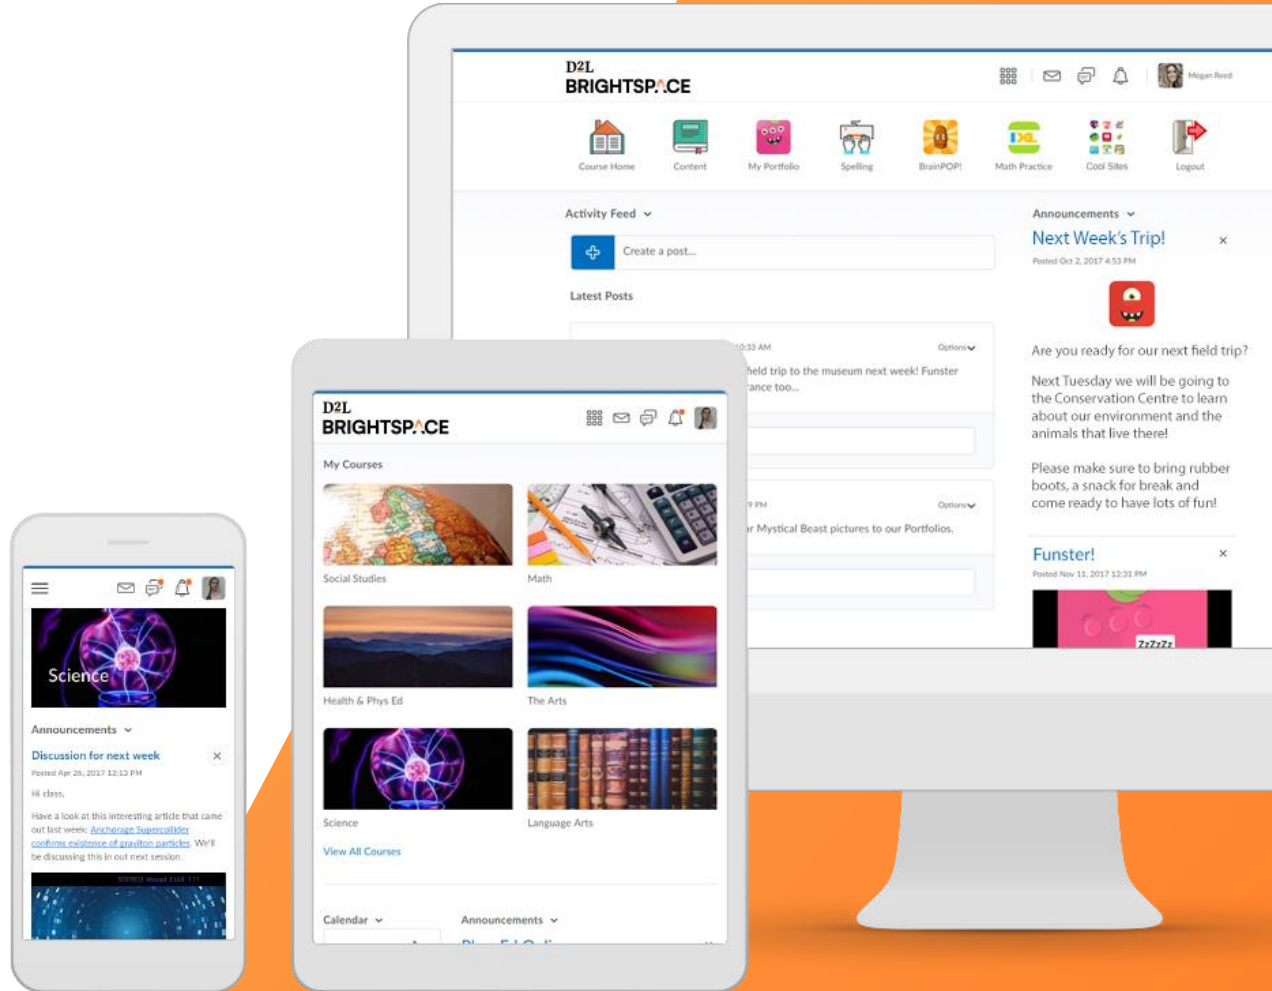

Save time by setting up automated reminders for your learners so that you can focus on teaching and student engagement! In this micro-session, you will learn some use cases for automated reminders, and how to create and use **Intelligent Agents** in the VLE to send automated emails on your behalf.

Live Demo

In this demo, you will learn about:

- Intelligent Agents
- Sending Automated Reminders
- Use cases for using Intelligent Agents

Intelligent Agents

Agents may be used in so many ways in the VLE to support learners in a positive way and provide reminders when they need a little nudge.

Live Demo

In this demo, you learned:

- About Intelligent Agents
- How to send Automated Reminders
- About some use cases for using Intelligent Agents
