

Help your learners reach their potential with D2L Brightspace

D2L Brightspace can help you support faculty success, create engaging learning experiences, improve student success, and grow enrollment.

WORRY-FREE TECHNOLOGY

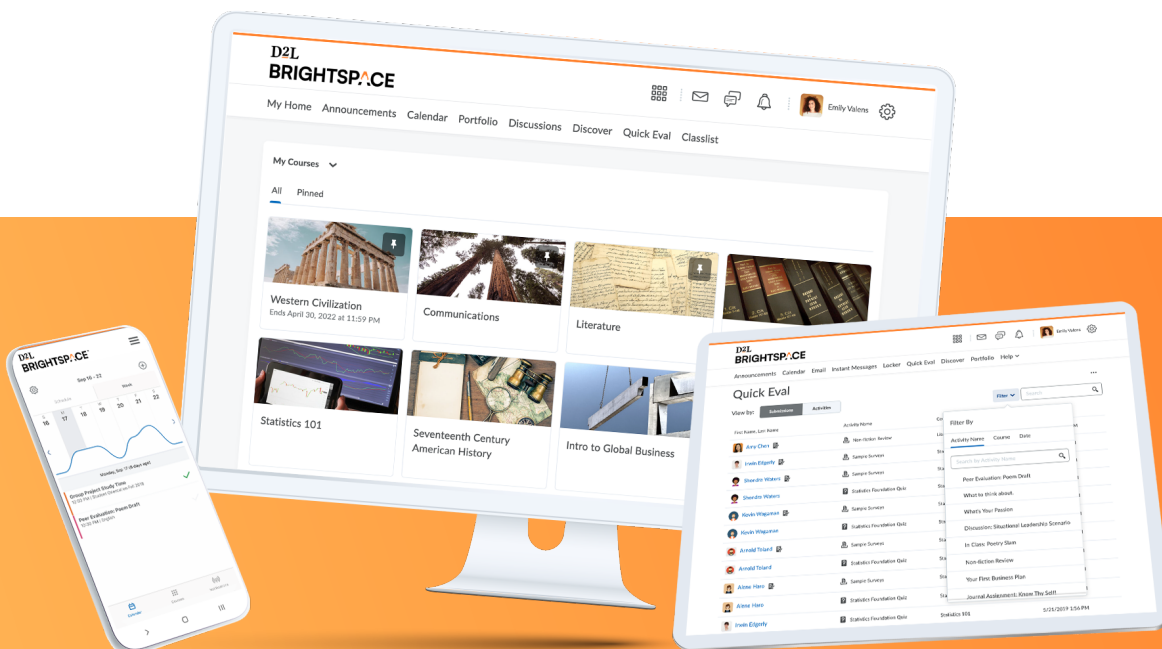

Do you want a secure, reliable learning experience that works consistently on any mobile device? You've come to the right place. With Brightspace, students can learn on any device, you can depend on industry-leading security, and you don't have to worry about downtime. Brightspace is designed to plug into your unique ecosystem.

FACULTY TOOLS THAT ENHANCE TEACHING SUCCESS

Built by educators for educators, Brightspace makes it easy for you to dive right in and teach the way YOU want to teach. With Brightspace, you can provide more efficient and meaningful feedback, streamline your communications, offer tests and exams online with academic integrity, and continue to use your favorite classroom tools—saving time so you can focus on what's most important.

PUTTING STUDENTS FIRST

We know you want all your learners to succeed. That's why learner success is at the heart of Brightspace. You'll be able to personalize the learning experience, be an accessibility leader, motivate and engage your learners, and tackle their anxiety by helping them stay on track. Give your learners the tools they want to use and create truly effective high-quality online learning that is as beautiful and supported as your on-campus experience.

IMPROVE LEARNING OUTCOMES

With Brightspace, we make it quick and easy to inspire learners and motivate them to take ownership of their education. Brightspace will help you keep your learners on track, provide personalized feedback, quickly make your courses more engaging with a human-centric design, and easily showcase your students' learning experiences.

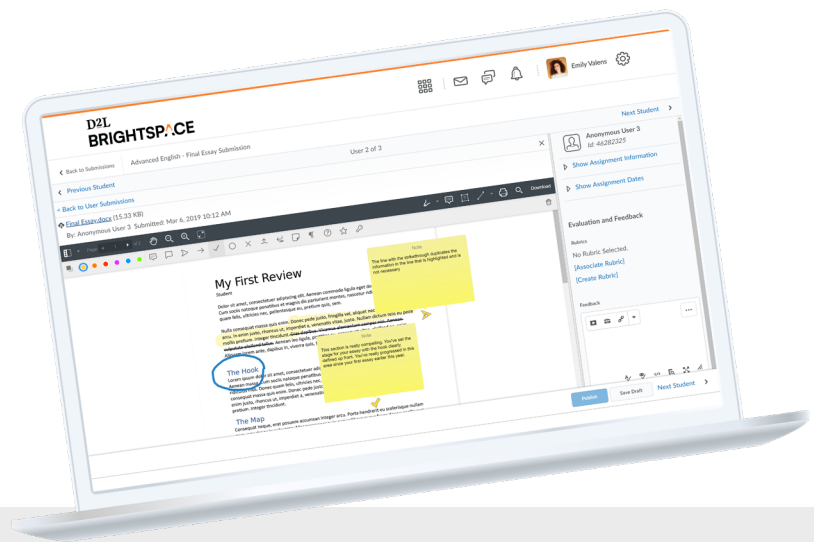

PARTNER WITH A LEARNING EXPERT AND LEVERAGE A CARING COMMUNITY

As experts in education and pedagogy, we will support you in ways you might not expect from a technology provider. By working with D2L, a customer-driven company, you will start with your own unique success plan and can work with the experts to optimize your use of Brightspace to achieve your learning and business goals. As your partner in learning, along with a caring community and open ecosystem of partners, we're here to help you succeed and prepare your learners for the future.

“Because University of Arizona **faculty** are able to make all their own changes to course sites, they feel more **empowered** and in charge. We get feedback that rolls into our inbox every semester saying, “Thank you. I can’t believe it was so easy. I’m already building my course **sites**. I didn’t have to email anyone and ask for permission.”

Mark Felix, Director of Institutional Support, University of Arizona

About D2L

D2L is a global learning innovation company, reshaping the future of education and work. We're leading the way into a new era of personalized learning, driven by the belief that everyone deserves access to high-quality education, regardless of their age, ability or location. Our signature technology products—D2L Brightspace and D2L Wave—enhance the learning experience for millions of learners at every stage of life, from the earliest days of school to the working world.
